Child Protection Program

Checklist for Complying With the Safe Sport Act

In 2018, Congress enacted a new Federal law which establishes a nationwide standard “*duty to report*” suspected child abuse. The “Protecting Young Victims from Sexual Abuse and Safe Sport Act of 2017” (“Safe Sport Act”) Public Law 115-126 applies to all DBB leagues. The law mandates that all amateur sports organizations adopt policies to protect minor athletes in their program which addresses education & training, safety procedures for minor athletes, & reporting guidelines.

Below is a checklist to assist DBB leagues with complying with the new Federal law.

- (1) **Adopt a League Child Abuse and Misconduct Risk Management Plan** – Each league should adopt and implement the DBB Child Protection Plan or a similar comprehensive risk management plan which serves as awareness education training for all league officials and staff who agree to educate themselves on all forms of misconduct and to refrain from engaging in such misconduct and in violating the policies therein.
- (2) **The league’s plan should include policies to address:**
 - **Duty to Report Child Abuse** – All DBB local leagues whose volunteers have regular contact with a minor participant in a league program must report suspected child abuse, including sexual abuse, within 24 hours to law enforcement.
 - **Limit One-On-One Interaction with Minors** – DBB and its affiliated leagues must establish procedures to limit one-on-one interactions between an amateur athlete who is a minor and an adult (who is not the minor’s legal guardian).
 - **Training for Minors** – The *Safe Sport Act* requires sports organizations to provide training for minors on preventing and reporting child abuse. DBB league organizations shall provide all parents of minor athlete’s access to the “*Abuse Avoidance Training for Minors - Age 13-17*” or a similar document from another source to each parent and a recommendation, subject to parental consent, that each parent review this document with their minor child.
 - **Background Checks** – Leagues must use background checks to screen all managers, coaches and other authorized adult participants in a league who have repetitive access to and close contact with minor athletes. An affordable rate per background check is available from JD Palatine. Go to: [JDP Background Screens](#) to register for JDP background screening services.
 - **Prohibit Retaliation** - DBB and its affiliated leagues must prohibit retaliation against any individual who makes a report required under the *Safe Sport Act*.
- (3) **Leagues may utilize the following documents located under the Risk Management tab on the DBB website at: www.dbbusa.org.**
 - Child Abuse Risk Management Plan;
 - Abuse Reporting Guidelines;
 - Abuse Avoidance Training – Minors Age 13-17;
 - Background Check Policy;
 - League Volunteer Application

(4) Reporting to DBB

All DBB Leagues shall report to DBB ball, Inc.:

- the identity of any person affiliated with it or any of its members who is convicted of, or pleads guilty to, or who is charged with and pleads guilty to a lesser offense, any crime of child abuse and/or crimes of a sexual nature, and
- the identity of any person who is permanently banned from participation in its activities or the activities of any of its members as a result of a claim of child abuse or as a result of a claim of sexual abuse.
