WE HOPE THAT YOU WILL ALLOW US TO TELL “OUR STORY - DBB INC”

www.dbbusa.org

DBB, Inc. was founded in 1957 at Alexandria, Louisiana. The mission of the program is to provide a recreational outlet for as many participants (age 13-19) as possible. The program currently operates in eleven southeastern states and attracts over 16,000 players.

DBB, Inc. is governed by a Board of Directors and is comprised of Executive Officers as well as elected State Officials. Board members (currently twenty-one) are responsible for determining program policies and rules. The Commissioner/CEO is responsible for managing the day to day affairs of the organization.

Leagues must comply with a basic set of rules and regulations as found in the rule book. The rules that appear in the DBB book are specific rules adopted by the Board of Directors. All other rules are found in the official playing rules of the National High School Federation. The DBB Commissioner/CEO is responsible for interpretation and rule enforcement.

League play is emphasized in the DBB organization. Franchises/local leagues are given a great deal of autonomy in determining the specifics that will meet the community/school needs. The administrative functions that are necessary to successfully operate a local league are supported by a District & State Director.

While emphasis is on league play there is; however, district tournaments, state tournaments and a World Series event for leagues wishing to participate after the close of the regular season. DBB, Inc. has a rich tradition of offering quality events that capture the true essence of competitive play. The organization takes great pride in offering “premier events”, providing a memorable experience for everyone.

DBB, Inc. each year also offers additional opportunities for teams. The Future Stars Tournament Trail brings together top DBB baseball participants. The eleven southern states that comprise the DBB region (Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas and Virginia) all have the opportunity to expand their programs to include invitational tournaments. A wood bat invitational tournament is held each June for the 15U and the Pre-Majors age group.

In 2023, a World Series will once again be held for the 15U Division. Sterlington, Louisiana will host the 15U Division World Series: July 19-21. State tournament sites for 2023 are yet to be determined!

On July 21st the four traditional divisions will start play. World Series events in the DBB divisions will be held in Opelika, Alabama (Jr. Boys) and South Hill, Virginia (Boys). Sterlington, Louisiana (Pre-Majors) and North Charleston, South Carolina (Majors) will host the Majors division World Series events. The program offers numerous opportunities for sponsors to partner with DBB.

LOCAL LEAGUE ORGANIZATION

- The league is the smallest unit of organization and is governed by the local program.
 - a. A league franchise can be granted for a league from two to ten teams.
 - b. The State Director is empowered to grant one team leagues based on circumstances.

SIMPLE STEPS REQUIRED TO BECOMING A FRANCHISED DBB LEAGUE.

- The league makes application for franchise to the Commissioner. The league would form based on policies as found in the DBB rulebook. Information is found on our website: www.dbbusa.org.
- The franchise obtains the approval of the appropriate DBB State & District officials.

BOUNDARIES
