To: Participants and Spectators of the 2023 World Series Events.

On behalf of DBB, Inc., it is with much excitement that I welcome you to the 2023 DBB 15U division World Series and the Pre-Majors World Series. We enjoyed outstanding events last year in Sterlington and Monroe. Four of the five divisions for the 2022 World Series events occurred in Ouachita Parish. Youth baseball is continuing to rebound as young people are returning to the baseball fields. We recognize the positive impact that youth baseball has on the participants. Dedicated volunteers give many hours of service for young people to enjoy the great game of baseball. We are fortunate to have outstanding leadership in DBB. Local league volunteers are doing great work. We thank everyone that contributed to the success of our 2023 program.

We are pleased Discover Monroe -West Monroe extended an invitation for us to visit. Alana Cooper, President, and CEO, fully supports our long-term partnership, enabling us to offer quality World Series events at the outstanding facilities of the Sterlington Sports Complex. DBB doesn't take for granted the strong relationship established with Discover Monroe – West Monroe. From the moment the CVB became involved, we have greatly benefited from the professional and “can-do” attitude of the entire staff. The real winners are the World Series participating players as everyone has worked to create an enjoyable experience with lasting memories of their time at the World Series.

Scott Bruscato, Executive Vice President of Discover Monroe – West Monroe and the entire CVB staff are a pleasure to work with. Scott manages the World Series events as the host event director. DBB enjoys excellent hospitality as well as the outstanding baseball displayed throughout the tournaments. The award-winning Discover Monroe – West Monroe organization has received statewide recognition for conducting events. We recognize the level of commitment and the logistics involved. The 2023 World Series events will be outstanding.

During your visit there are many opportunities available for dining, coupled with the area attractions you will really want to visit. Baseball action at the Sterlington Sports Complex (five playing fields) provides opportunities to witness baseball games from two divisions of DBB. We thank Kerry Elee and Ben Sheets, co-owners of 2 Seam Sports, for allowing us to book events at the Sterlington Sports Complex. The Sterlington Sports Complex is one of the best facilities in the country and is host to many outstanding events. Best wishes to the DBB teams in action July 19-26, 2023.

James Sandy Jones  
DBB Commissioner/CEO

**Coaches: Teams must make their own reservations.**

**Please make sure you let the hotels know that you are with DBB World Series.**

As we all know, the weather in North Louisiana is hot and humid. Players are at high risk for heat related illness during this time.

Some prevention tips:

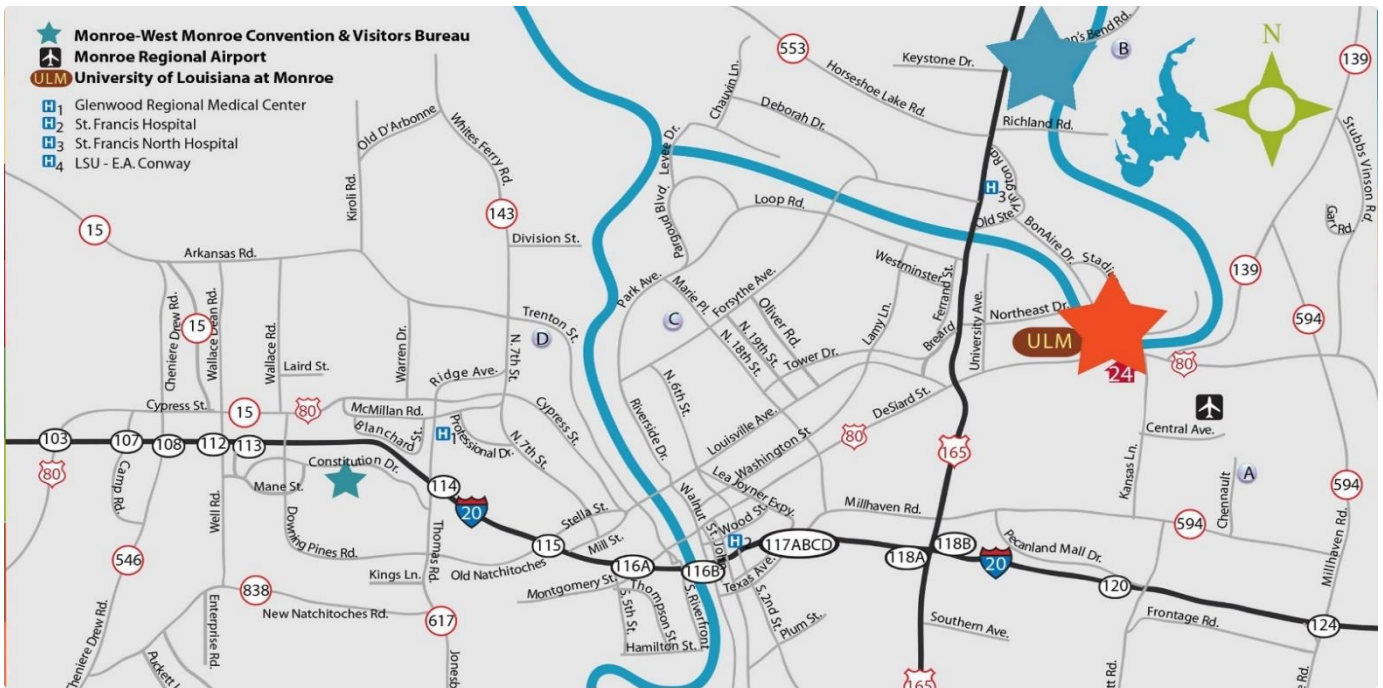

- Identify susceptible players: large individuals with large muscles or fat layers or players who have a history of heat illness.
- Acclimate players to the weather through planned workouts. Start with short durations gradually increasing in length and intensity.
- Generous free intake of fluids prior to-during-and after practice and games. Fluid breaks should be every ½ hour during practice.

Diet: FLUID REPLACEMENT IS MOST IMPORTANT IN THE PREVENTION OF HEAT ILLNESS.

Electrolyte replacement such as bananas for potassium, potato chips for salt, fruits and vegetables should be included in the diet.
